Welcome

The educators, families and children of Normanhurst Out of School Hours Care would like to welcome you our Centre! We hope that you and your child find the time with us a happy and rewarding experience.

We understand that new children to the service may find OOSH a daunting place, and we open our doors to welcome you to bring your child to the Centre to allow them to become familiar with our educators and the routines. We strongly recommend all children who will be starting kindergarten in 2019, attend a few days during January vacation Care to assist in this process.

If you would like to make an appointment for an orientation visit, please phone the Co-ordinator on 9484 4412.

General Information

Normanhurst West OOSH is a not-for-profit organisation, incorporated under the Normanhurst West Public School P&C. It is operated by qualified educators and overseen by a volunteer Parent Management Committee.

Located in the grounds of Normanhurst West Public School, the service provides Before and After School Care for children who currently attend Normanhurst West Public School. During the school holidays we run an exciting Vacation Care program and welcomes children who attend other schools in the local area as well.

The aim of before and after school care is to provide a quality recreation program for children who require care at the beginning and end of the school day. It is our hope that we can work cooperatively with parents to ensure that the program meets the needs of both the children and their families.

Should you wish to know more about the Vacation Care Program please do not hesitate to visit our website (www.normanhurstwestoshc.com.au) to download a copy.

Philosophy

At Normanhurst West Out Of School Hours Care (OOSH) we believe a quality environment for children is one which promotes a child's self-esteem and competencies and where staff feel comfortable and confident in their roles (*My Time Our Place, Learning Outcomes 1 & 3*).

Our educators are dedicated to supporting children to develop positive self-esteem, and a positive attitude to learning and interacting with others (*My Time Our Place, Learning Outcomes 4 & 5*). We aim to reflect an inclusive approach to develop positive gender, racial, cultural, class and individual identities (*My Time Our Place, Learning Outcome 2*).

We aim to provide an outside of school hours care service that meets the needs of the children, families and educators.

We believe that our Centre should have a fun, safe and supportive environment where everyone feels welcome and where children and parents are able to be involved in the planning of what the children do. Our emphasis for the children is on recreation and play and encouraging social interaction. Learning and development are actively promoted.

Our service strives to be a quality, value for money care provider, which meets the requirements of the community and the standards, regulations and recommendations outlined by the National Quality Framework (NQF) for Quality Care.

In providing a quality service we are guided by the following aims and objectives:

In regard to families at the service, we believe and acknowledge that:

- Families are the paramount influence in a child's life.
- The service should provide effective communication between management, staff, children and families
- The values, traditions and beliefs of each family should be acknowledged and respected.

In regard to the children at the service, we believe and acknowledge that:

- Each child is an individual with unique needs, strengths and interests. We understand that when children are developmentally ready, they will achieve milestones in their learning and development. Therefore, it is important to cater for the needs of each child. Children should be valued for their individual personality and abilities.
- Positive self-esteem and high self-worth assist a child to have lifelong emotional intelligence that gives them the ability to cope with life's challenges.
- ○ Children have the right to a safe, secure and stimulating environment.

- Children have the right to be treated as capable and competent and should be provided with the opportunities to develop and practice new skills.
- Play is the learning process that enables children to learn through concrete “hands on” experiences such as doing, experimenting, predicting, achieving and making mistakes.
- Children in our care have many differing social and cultural backgrounds and we respect the experiences these bring from the home environment.
- Each child has the right to equality and respect. Respecting the needs, feelings and property of others is a mutual practice, which assists in the development of compassion in others regardless of age.
- Routine times are an integral part of a child’s learning experience and takes into account their home and cultural backgrounds.
- Children learn through responsive and reciprocal relationships and that relationships are important to a child’s health, wellbeing and development.

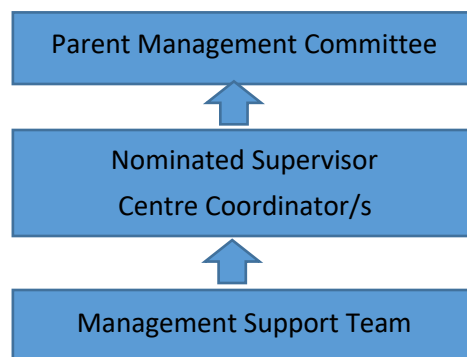

In regard to our staff, we believe and acknowledge that:

- Staff should be provided with ongoing opportunity for professional development.
- Staff are provided with opportunities to be involved in the preparation of the services program.
- Staff are valued as individuals and their unique skills and abilities acknowledged and utilised.

Normanhurst West Before & After School Care Management Structure

Normanhurst West OOSH is managed by a voluntary group of parents who make up the Centre’s Management Committee.

The Centre Coordinator/s and Parent Management Committee are supported by an experienced Management Team who provide compliance and operational guidance.

Parent Management Committee

A voluntary group of parents operates the Management Committee of Normanhurst West OOSH. The Committee decides matters of policy, fees, staffing and all matters relating to the running of the Centre. This Committee meets twice each term and as required. The Normanhurst West OOSH Management Committee delegates the day to day responsibilities to the Centre Coordinator.

Families with any problems, suggestions or queries should address these in writing, where possible, with the Centre's Coordinator. This can be done via email to nwoosh@hotmail.com or placed them in the Centre's Suggestion Box. The Suggestion Box is located on the parent table near the sign on/off book.

Should families wish to contact the Management Committee with their feedback they are encouraged to put these in writing, addressed to the OOSH Convenor of the Normanhurst West OOSH Management Committee, via email to nwoosh@hotmail.com or in person.

If you would like to join the Management Committee or talk to one of the current members, please contact the Centre on 02 9484 4412 or send an email addressed to the Parent Management Committee to nwoosh@hotmail.com.

Service Administrators

A Service Administrator (Becklyn Pty Ltd) is employed to handle all financial administrative matters. The Administrators can be contacted during business hours on 02 9878 2651 or by email at info@becklyn.com.au.

Hours of Operation

The Centre is open from 7:00am to 8:35am and 2:50pm to 6:15pm during public school term times. At the end of the morning session, the children are walked to the school playground and a handover of care conducted with the teaching staff on duty.

During School Holidays the Centre runs a Vacation Care Program and is open between 7:00am and 6:15pm.

The Centre is closed on all NSW Public Holidays and usually for approximately 1-2 weeks over the Christmas / New Year time frame.

Messages can be left on the Centre phone number of 02 9484 4412 outside of opening hours. Alternatively, staff can be contacted via email nwoosh@hotmail.com

Kindergarten children will be collected from their classroom by our educators during the year and walked to the OOSH rooms.

Priority of Access

The Federal Government has approved our service to provide 110 places for children per day in Before School and After School Care sessions.

Our responsibility is to ensure that places are offered using the priority of access guidelines as set down by the Federal Government. Therefore our service will take children into care on the following basis:

Priority 1

A child at risk of serious abuse or neglect

Priority 2

A child(ren) of a sole parent who satisfies, or parents who both satisfy, the Child Care Subsidy (CCS) activity test through paid employment or study/training

Priority 3

Any other child.

Should the service become full, a parent using care who is Priority 3 may be requested to vacate the place for a child in Priority 1 or 2. Fourteen (14) days' notice will be given. Wherever possible, Normanhurst West OOSH will endeavour to accommodate both children in such an instance.

Funding and Government Rebates on Fees

CHILD CARE SUBSIDY (CCS)

On 2nd July 2018, the government amalgamated Child Care Benefit (CCB) & Child Care Rebate (CCR) into one payment now known as the Child care Subsidy (CCS).

To claim CCS, families must:

1. Complete their eligibility assessment with Centrelink or via their MyGov account
2. Provide the centre with CRN's and dates of birth (matching Centrelink records) for all children attending the service, plus for the guardian / parent registered to receive CCS
3. Confirm each child's enrolment at the service via their MyGov account

Once all the above steps are completed, any CCS a family is entitled to receive will be returned to the centre on a weekly basis and will appear as a credit on the family account. This will mean that invoices from the centre will be for the gap fee only.

More information on how to apply for CCS can be found at:

<https://www.humanservices.gov.au/individuals/online-help/centrelink/complete-your-child-care-subsidy-assessment>

ABSENCES

CCS will continue to be paid for up to 42 absences for all types of approved childcare, per child, per financial year. Absences are counted on a per day (or part day) basis i.e. where a child is away for one out of two sessions on a day, 1 absence will be recorded.

Once these 42 days have been exceeded, families may be entitled to CCS payments for further additional absences in certain circumstances. More information regarding these “Additional absences” can be found at: <https://www.education.gov.au/new-child-care-package-frequently-asked-questions> - in the expandable absence section

In shared care arrangements, the allocation of 42 absences per financial year relates to the child, not each individual claimant.

Staff

Our Educators are very valuable to us at Normanhurst West OOSH. They each bring an extensive and individualised history of working within the program and a great deal of practical experience with children. Our educators have a variety of qualifications from Degrees, to CPR & First Aid, Child Protection and Asthma and Anaphylaxis certifications. An extensive list is available via the Staff Profiles displayed at the Centre entrance.

Medication

In line with the Education and Care Services National Law and Regulations, we are only able to administer medication to your child if:

- A Parent / Guardian or an authorised nominee with permission to consent to administration of medication has completed a “Permission to Administer Medication Form” including details of time and dosage.

- The medication is in its original container and is prescribed for that child.
- The medication is before its use-by or expiry date.
- A second staff member witnesses the dosage and administration of the medication.

Non-prescription medication will only be given if accompanied by a Doctor's Certificate stating the dosage and the time to be administered.

In the case of an emergency, medication may be administered with the permission of a registered medical practitioner or medical emergency services should a parent be non-contactable. In the case of an asthma or anaphylaxis emergency, medication can be administered without any authorisation. If this was to occur, the child's parent and emergency services would be contacted as soon as possible following administration.

Asthma / Allergy / Anaphylaxis Action Plans or Medical Management Plans:

Parents (in conjunction with the Medical Practitioner) of any child with asthma, allergies or anaphylaxis are required to complete an ASCIA Asthma, Allergy or Anaphylaxis Action Plan prior to their enrolment being confirmed. This plan will advise the staff of the actions they should take should your child become unwell with an allergy, asthma or anaphylaxis.

Parents of Children with specific healthcare needs may be required to submit further details, or a Medical Management Plan prior to their enrolment being finalised.

Breakfast and Afternoon Tea

Breakfast is provided for children attending Before School Care and is served each morning from 7:00am until 8:00am.

Afternoon tea is provided for all children attending After School Care at approximately 3.15pm, along with a late afternoon tea fruit platter at approximately 5.15pm.

Children are required to bring morning tea and lunch during Vacation Care, unless otherwise stated in the Vacation Care Program.

We aim to provide nutritious and varied breakfasts and afternoon teas for the children attending the Centre. Information regarding menu selections is available for parents to access at the Centre. Consideration is given to children with special dietary needs and the afternoon tea provided is adjusted based on any special needs.

Daily Program

We aim to provide daily routines that meet the needs of individual children and to implement an open-ended program based on children's continuing interests. This allows opportunities for children to play, explore and develop new skills and theories and is appropriate to the developmental and leisure needs of the children. Children are encouraged to participate in this process by completing surveys, participating in frequent 'children's meetings', and placing activity suggestions in the "Suggestion Box" at the Centre. Policies, Procedures and Guidelines:

A series of policies, guidelines and procedures for the service have been developed. Legislation for Out of School Hours Care

On 1 January 2012, the National Quality Framework (NQF) was established, applying to most long day care, family day care, preschool (or kindergarten) and outside schools hours care services in Australia; consisting of key requirements that will be phased in between 2012 and 2020, including staff qualifications, educator-to-child ratios and other key staffing arrangements.

National Quality Framework (NQF):

The National Quality Framework aims to raise quality and drive continuous improvement and consistency in education and care services through:

- a national legislative framework
- a National Quality Standard
- a national quality rating and assessment process
- a new national body called the Australian Children's Education and Care Quality Authority.

National Quality Standard:

The National Quality Standard sets a new national benchmark for the quality of education and care services. The National Quality Standard is divided into seven Quality Areas:

1. Educational program and practice
2. Children's health and safety
3. Physical environment
4. Staffing arrangements
5. Relationships with children
6. Collaborative partnerships with families and communities
7. Leadership and service management.

The National Quality Standard aims to promote:

- The safety, health and wellbeing of children
- A focus on achieving outcomes for children through high-quality educational programs
- Families' understanding of what distinguishes a quality service.

National Quality Rating and Assessment Process:

Approved Services will be assessed and rated against each of the seven Quality Areas of the National Quality Standard and the National Regulations. They will also be given an overall rating. The rating and assessment process aims to drive continuous quality improvement at services and provide families with better information for making choices about their children's education and care.

Normanhurst West last underwent the Assessment and Rating in February 2017.
