## Risk Benefit Analysis

Risk	Benefit
* Lost Child	* Development of social skills & expected behaviours when with other people of the community
* Sunburn, heatstroke, dehydration, extreme weather, wet weather etc	* Continue to develop relationships with key Educators whilst on the excursion
* Child Protection issues with members of the public	*To stimulate and develop higher cognitive function from learning to program an app.
* Injury to children or staff from slips / trips / falls	*To encourage and develop problem solving when developing an app and learning how to program
* Choking / food allergy issues when consuming food brought from home	*To develop team work when working together on creating an app.
* Injury from bus or train accident / breakdown / braking	* To learn basic ideas of catching a bus or train, and how to do so, to encourage life skills
* Electrical shock from device	*To develop and expand on current knowledge on how to use an Apple Device
* Safety from members of public	*To expand children's knowledge of local shopping centre and stores, especially how to use the Apple Store and it's function.
* RSI or injury to fingers from device use	* FUN!
