Walking to and from Venue - multiple	Being injured by traffic while crossing road or walking	Extreme	Staff: child ratio will be a maximum of 1 adult to 10 children. Children will walk in pairs on the left hand side of the footpath.	Educators and children	Children will be advised of instructions prior to excursion. Educators will position themselves at the beginning of the line, the end of the line and evenly down the middle of the line for the walk to the venue. Educators will remain in this format for entire walk from leaving the centre to the venue and on the return trip.	Moderate
Walking to and from Venue - multiple			The educators will position themselves on the road side when walking to and from the venue to keep the children safe.	Educators		
Educators on excursion			The lead Educator will cross to the middle of the side street prior to children beginning to cross the road. The Educator in the middle of the group will take over from the lead Educator in the middle of the road as the children cross, allowing the lead Educator to continue with the front of the group. The last Educator will cross at the end of the group, ensuring no children are crossing the road behind them. This formation will allow the educators to block oncoming traffic turning into, or out of, the side streets.	Educators		
			Children will be reminded prior to the excursion to cross only when advised by Educators.	Educators		
Walking to and from Venue	Tripping while walking up steps / escalators.	Moderate	Children will be reminded prior to and whilst on the excursion to take the trip up and down any steps slowly and to wait for those in front of them.
