Senior Kids OOSH Club

Special Activities Program

Term 4 2019

Dear SKOOSH Families,

Welcome to another term of skoosh activities. Thanks to all the children for their feedback in making this program.

Please make sure you return the permission form attached to ensure your SKOOSH child does not miss out on any of the activities.

Did you know...?

- **Daily Program**

The SKOOSH Club has its own daily program with both indoor and outdoor activities planned just for them, separate to our junior program.

- **Special Activities!**

Special Activities are planned in addition to the daily program.

These special activities happen one day each week and alternate between excursions and exciting incursions at NWOOSH.

The cost of these activities is paid for by the Centre, children are not required to bring any money 😊

- **Expectations**

We love being able to give our Senior children their own program with some special privileges, such as term-time excursions, along the way however with these privileges comes extra expectations.

It is expected that, being a Senior member of NWOOSH, children will take on additional responsibilities and demonstrate appropriate behaviours at all times. It is expected that they will act as good role models to the younger children, respect and assist educators and follow Centre rules.

Should a child not demonstrate appropriate behaviours then they may not be allowed to participate in the SKOOSH program. Rights and responsibilities are outlined in the SKOOSH contract which must be signed by parent and the SKOOSH child before they are able to participate in the special activities programmed.
