

SKOOSH CLUB

Senior Kids OOSH Club

Special Activities Program

Term 1 2022

Welcome to Term 1, 2022!

Daily Program

The SKOOSH Club has its own daily program with both indoor and outdoor activities planned just for them, separate to our junior program.

We'd love to hear feedback from you or your children for ideas for next term.

Special Activities!

Special Activities are planned in addition to the daily program.

These special activities happen one day each week to ensure every child has a chance to participate in at least one. The activities for this term will be in-centre only.

The cost of these activities is paid for by the Centre, children are not required to bring any money 😊 and all resources are supplied by the centre. This includes devices for any technology themed days.

Activity Types:

Active (Gross-Motor Skills)

Art/Creative

Construction

Food (Sensory)

Science

Technology

Excursions:

There are currently no planned excursions for this term. Should restrictions by the NSW Government ease during later in the term and allow for excursions, we will advise all parents of any amendments.

Expectations

We love being able to give our Senior children their own program with some special privileges, such as term-time excursions, along the way however with these privileges comes extra expectations.

It is expected that, being a Senior member of NWOOSH, children will take on additional responsibilities and demonstrate appropriate behaviours at all times. It is expected that they will act as good role models to the younger children, respect and assist educators and follow Centre rules.

Should a child not demonstrate appropriate behaviours then they may not be allowed to participate in the SKOOSH program. Rights and responsibilities are outlined in the SKOOSH agreement which must be signed by parent and the SKOOSH child before they are able to participate in the special activities programmed.
